## About me

English linguistics graduate with over 6 years' experience as an English teacher for young learners (ages 8 and up) and adults.

## Experience

2024 – present

Freelance I Luxembourg – Luxembourg

### English Teacher

Teaching young learners (11+) and adults via the “EDVIBE” platform, using varied activities and tailored lesson plans to meet individual needs.

2021 – 2022

Voccent I Berlin – Germany  
**Linguist and Language Content Creator**

Created over 200 exercises, challenges, and playlists for learning the Sakha language, supported by a comprehensive educational content plan developed through market analysis and customer identification.

2020 – 2021

Sangar School #1 I Sangar – Russia

### English Teacher

Provided English classes to over 200 students (ages 8–17), initiated a student English club, supported the students in preparing for the state exams, and produced school documentation & reports to facilitate educational objectives.

2018– 2019

NEFU International relations office I Yakutsk – Russia

### Interpreter & Translator (Eng-Rus)

Collected, analyzed, and developed data to support the NEFU's Vice-Rector for Int. Cooperation. Conducted seminars for int. students and provided interpretation services at the 26th International Olympiad in Mathematics, Physics, Chemistry, and Informatics, as well as at the Institute of Permafrost and the Mammoth Museum, facilitating effective communication in diverse academic and scientific environments.

2017– 2021

Freelance I Yakutsk – Russia

### English Teacher

Tutored 15 students ranging from middle school to university level, assisting them in their preparation for local English tests and IELTS. Translated over 60 articles and other written materials and proofread over 100 texts to ensure accuracy and clarity.

## Interpretation Projects

- III Mas-Wrestling World Championship
- Yakutia International Science Games
- MyTonaCon 2019
